

# MATTER

To use Matter, you need a SMART BRIDGE.

**Add a SMART BRIDGE to your garden.**

**Make sure the SMART BRIDGE is up to date and has at least software version, 1.2.4.**

**Click on 'Connect a Matter app'.**

**Copy the set up code, save it carefully.**

**Open the Matter app to which you want to control the in-lite system.**  
**\*Check with the app manufacturer to see if it supports Matter devices via internet/wifi.**

**In the Matter app, look for the "add matter device" button.**

**Follow the instructions in the Matter app.**

**Use the set up code or scan the QR code in the in-lite app.**

**Make sure the SMART BRIDGE is connected to the same network as your phone**
